Re: *Nadezda Steele-Warrick v. Microgenics Corporation et al.*,
No. 19-cv-6558 (FB) (VMS)

Dear Judge Scanlon:

This firm represents Plaintiffs in the above-captioned case. Pursuant to the Court's March 15, 2024 Order, we write jointly with all counsel to provide the Court with a status update regarding the status of expert discovery.

Plaintiffs, as well as Microgenics Corporation and Thermo Fisher Scientific, Inc. (the "Corporate Defendants") have exchanged expert reports on behalf of a total of eight experts between them. The Parties have confirmed the deposition dates for Plaintiffs' experts and are working to confirm the deposition dates for the Corporate Defendants' experts and currently expect to be able to complete expert discovery by the Court's deadline of June 28, 2024.

We thank the Court for its attention to this matter.

Respectfully Submitted,

/s/
Eric Abrams
